Stay tuned!

We will be providing you with regular updates about how the bargaining is going. If you have any questions, please contact HACSU Assist on 9340 4100.

You have the right to be a member of a union.

You have the right to speak to about being a union member and what we're fighting for to your colleagues while you're at work!

You are allowed to speak to your union organiser while you are at work.

We encourage all members to engage with other employees about what HACSU is fighting for in this EBA and the benefits of being a union member.

OTHER UNIONS

HACSU representatives are aware that there are other unions that have membership in Scope, however, none of them are the specialised union for Disability Support Workers. HACSU's results throughout the disability sector speak for themselves: our members are protected by strong EBAs in the DHHS, The Tipping Foundation, Yooralla, Villa Maria Catholic Homes, and many others. HACSU members are united and are ready to fight for a fair go.

INCREASING HACSU MEMBERSHIP AT SCOPE

We are stronger together! For HACSU representatives in negotiations to get the best deal, members will need to recruit others in their worksites. You can easily [join HACSU by clicking here.](#)
