

minimum 4% pay rise

We believe that fair wages are essential
in attracting & retaining the best mental
health workers for our community.

**Workers. Wages.
Wellbeing.**

paid pandemic leave

We believe essential workers shouldn't
have to decide between paying the
bills and their own health.

**Workers. Wages.
Wellbeing.**

reproductive health

We believe women, men & non-binary people deserve dignity, support & access to paid leave for reproductive & sexual health issues.

**Workers. Wages.
Wellbeing.**

supporting essential workers

The only specialist union for mental
health & disability workers.
