

MENTAL HEALTH EBA

Town Hall Meeting

WED OCT 6,
7PM

Zoom Meeting
<https://qr.io/r/yKYmie>

We know Minister Merlino and the government are hearing the loud and clear message from HACSU members that we need an EBA that respects all workers' incredible work across our Mental Health services.

HACSU officials are involved in intense negotiations with government, this meeting will be a chance to discuss the latest developments and where the campaign goes next.

We've been fighting for 18 months for our new EBA, and we're not going to accept a second-rate offer.
